

QUANTUM OF SOLACE

7^F

Have you seen the latest James Bond film? What is it about? Before you watch the official trailer read this synopsis and complete the gaps with the words provided in the box.

Quantum of Solace continues the high octane adventures of James Bond (Daniel Craig) in Casino Royale. Betrayed by Vesper, the woman he loved, 007 fights the urge to make his latest mission personal.

Pursuing his determination to uncover the truth, Bond and M (Judi Dench) interrogate Mr. White (Jesper Christensen), who reveals the organisation which blackmailed Vesper is far more complex and dangerous than anyone had imagined. Forensic intelligence links an MI6 traitor to a bank account in Haiti where a case of mistaken identity introduces Bond to the beautiful but feisty Camille (Olga Kurylenko), a woman who has her own vendetta.

Camille leads Bond straight to Dominic Greene (Mathieu Amalric), a ruthless business man and major force within the mysterious organisation. On a mission that leads him to Austria, Italy and South America, Bond discovers that Greene, conspiring to take total control of one of the world's most important natural resources, is forging a deal with the exiled General Medrano (Joaquin Cosio). Using his associates in the organisation, and manipulating his powerful contacts within the CIA and the British government, Greene promises to overthrow the existing regime in a Latin American country giving the General control of the country in exchange for a seemingly barren piece of land.

In a minefield of treachery, murder and deceit, Bond allies with old friends in a battle to uncover the truth. As he gets closer to finding the man responsible for the betrayal of Vesper, 007 must keep one step ahead of the CIA, the terrorists and even M, to unravel Greene's sinister plan and stop his organisation.

Another ringer with the slick
Trigger finger for Her Majesty
Another one with the golden tone voice
And then your fantasy
Another bill from a killer
Turned a thrill into a tragedy

A door left open
A woman walking by
A drop in the water
A look in the eye
A phone on the table
A man on your side
Someone that you think that you can trust is
just
Another way to die

Another tricky little gun giving solace
To the one that will never see the sunshine
Another inch of your life sacrificed
For your brother in the nick of time
Another dirty money,
Heaven sent honey turning on a dime

A door left open
A woman walking by
A drop in the water
A look in the eye
A phone on the table
A man on your side
Someone that you think that you can trust is

just
Another way to die
It's just another way to...
Hey...
It's just another way to...
You've got to....
Oh, Oh, Oh, Oh, Oh....
Oh, Oh, Oh, Oh, Oh....
Oh, Oh, Oh, Oh, Oh....
Oh, Oh, Oh, Oh, Oh....

Another girl with her finger on the world
Singing do what you wanna hear
Another gun thrown down
And surrendered took away your fear
Another man that stands right
Behind you looking in the mirror

A door left open
A woman walking by
A drop in the water
A look in the eye
A phone on the table
A man on your side
Someone that you think that you can trust is
just
Another way to die
It's just another way...
Suit 'em up, bang bang!
Bang, bang, bang, bang.
